

LUXURY ASSISTED LIVING & MEMORY SUPPORT COMMUNITY

This is your time.
Live it to the fullest at
Rosemark at Mayfair Park.

Welcome to an assisted living and memory support community that's vibrant, peaceful and centered around your well-being.

Free from cleaning and mowing, you can pursue what brings you joy. Be part of a close-knit group that congregates in lush private gardens. Enjoy nutritious meals, a private apartment and the support of a highly trained staff who truly cares about your happiness.

With compassionate, personalized care and the latest technologies, Rosemark delivers families peace of mind.

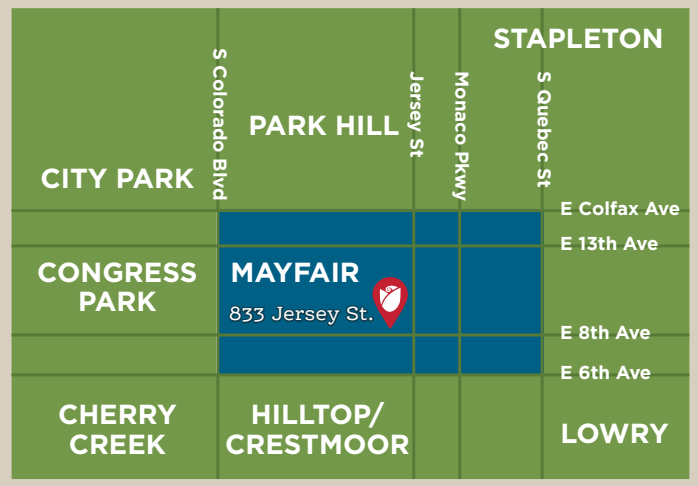

Close to downtown, in the quiet Mayfair neighborhood.

Rosemark at Mayfair Park is minutes from Downtown Denver and major medical centers. Surrounded by calm residential streets, easy-to-get-to Rosemark sits just a block from sunny Mayfair Park.

Never Stop Blooming™

A modern approach that aims to be the new model of care.

Locally owned and managed by an on-site team, Rosemark combines experience with fresh thinking. We lead the way in better living for seniors through carefully designed spaces, social activities, wellness therapies, advanced technologies, house-made meals and more!

Cheerful Apartment Homes

You'll feel pampered and secure in your new Rosemark apartment. Choose a light-filled studio, a one-bedroom apartment or a two-bedroom home. All 88 new homes come with private baths, kitchenettes, larger refrigerators, 24/7 call systems and the latest life-enriching technologies. Your cuddly cat or small dog is welcome here, too.

All the independence, relaxation and fun you want in **Arbor Assisted Living™**

Discover luxury living in a safe, friendly community. Arbor Assisted Living™ is tailored to people who can no longer live alone, yet don't need 24-hour care and medical supervision.

We balance maximum freedom and privacy with appropriate care, including help with bathing, dressing, medication reminders, housekeeping and other activities of daily living.

With a little support, you or your loved one can explore hobbies, garden, take a class and more.

You'll be safe, respected and welcome in **Trellis Memory Support™**

At Rosemark, you'll find comfort in being where people know you, understand you and celebrate everything that is wonderful about you.

You or your loved one will thrive with the help of therapeutic activities, stimulating surroundings, secure outdoor gardens and caregiving based on the latest research into Alzheimer's and related dementias.

Rosemark's personal response system preserves residents' dignity, while providing unobtrusive security, maximum mobility and peace of mind.
